RESTFUL REFRESHING *Sleep*

. . . WHEN NERVES ARE CALM AND REPOSED

Sleepless nights are unpleasant enough—tossing and tumbling, worrying, getting more and more keyed up. But the worst thing about a wakeful night is the after-effects next day—brain fogged, headachy, tired—you simply can't keep up with the procession. If you never have a wakeful night, skip the rest of this page; if you do—read it. More sleepless nights are due to "Nerves" than to any other one cause. You can't avoid things that "get on your nerves," but you can take a reliable nerve sedative such as—

DR. MILES NERVINE

LIQUID OR EFFERVESCENT TABLETS

Dr. Miles Nervine is a mild nerve sedative. It does not depress the heart, is not habit forming, acts to permit rather than induce sleep. Try two effervescent tablets in a glass of water, or two teaspoonfuls of liquid nervine in water next time "nerves" keep you awake.

You will like the soothing effect of Dr. Miles Nervine when you are Restless and Irritable, when you have Nervous Headache, or Nervous Indigestion. Try it, won't you? You may take a whole bottle or package, and get your money back if you are not entirely satisfied with the results.

1 I'LL TAKE YOU HOME AGAIN, KATHLEEN

Words & Music by Thomas P. Westendorf

2 When You and I Were Young Maggie

I wandered today to the hill, Maggie,
To watch the scene below;
The creek and the creaking old mill, Maggie,
As we used to long ago,
The green grove is gone from the hill, Maggie,
Where first the daisies sprung;
The creaking old mill is still, Maggie,
Since you and I were young.

And now we are aged and grey, Maggie,
And the trials of life nearly done;
Let us sing of the days that are gone, Maggie,
When you and I were young.

3 Silver Threads Among the Gold

Darling, I am growing old,
Silver threads among the gold,
Shine upon my brow today;
Life is fading fast away;
But, my darling, you will be, will be
Always young and fair to me,
Yes, my darling, you will be
Always young and fair to me.

Darling, I am growing old,
Silver threads among the gold,
Shine upon my brow today;
Life is fading fast away.

4 HI RINKTUM INKTUM

By John Lair

How old are you, my pretty little miss,
How old are you, my honey?
If I don't die of a lonesome heart
I'll be sixteen next Sunday.

Now can you court, my pretty little miss,
My little wildwood flower?
I kin court more in a minnit an a half
Than you kin in a hour.

Will you marry me, my pretty little miss,
Will you marry me, good-looking?
I'll marry you but I'll not do
Yore washin' an yore cookin'.

Then I wont have you, my pretty little miss,
I wont have you, my dear-o.
Well, they aint nobody asked you to,
You yaller-headed skeercrow!

5 I Feel Just As Happy As A Big Sun Flower

There is a charm I can't explain,
About a girl I've seen,
My heart beats fast when she goes past,
In a dark dress trim'd in green,
Her eyes are bright as evening stars,
So loving and so shy,
And the folks all stop and look around,
When ever she goes by,

And I feel just as happy as a big sun flow'r,
That nods and bends in the breezes,
And my heart is as light, as the wind that blows,
The leaves from off the treezees.

6 Darling Nelly Gray

There's a low green valley on the old
Kentucky shore,
There I've whiled many happy
hours away,
A sitting and a singing by the little
cottage door
Where lived my darling Nelly Gray.

Oh! my poor Nelly Gray, they have
taken you away
And I'll never see my darling
any more,
I'm sitting by the river and
I'm weeping all the day,
For you've gone from the old
Kentucky shore.

7 The Wearing of The Green

Oh! Paddy, dear, and did you hear
the news that's goin' round,
The Shamrock is forbid by law,
to grow on Irish ground;
Saint Parick's day no more we'll
keep, his color can't be seen,
For there's a bloody law agin' the
Wearin' o' the Green;
I met with Napper Tandy and he
tuk me by the hand,
And he said "how's poor ould Ireland,
and how does she stand?"
She's the most distressful country,
that ever you have seen;
They're hanging men and women
there, for "Wearin' o' the Green."

You Get
TWO-FOLD RELIEF
with **Alka-Seltzer**

1 Relief from the pain and discomfort of Headache, Colds, "Morning After", and Muscular Pains, because Alka-Seltzer contains an effective analgesic —Sodium Acetyl Salicylate.

2 Relief from Acid Indigestion, Heartburn, Gas in Stomach and the many everyday ailments associated with hyperacidity, because Alka-Seltzer contains alkalizing agents.

Alka-Seltzer does not irritate or upset the stomach. In fact its action in the stomach is soothing rather than irritating.

A tablet or two of Alka-Seltzer in a glass of water, makes a sparkling, alkalizing solution — attractive to the eye, pleasing to the taste, and especially effective in relieving Stomach Gas, Headache, Heartburn, Colds, "Morning After" and Muscular Pains.

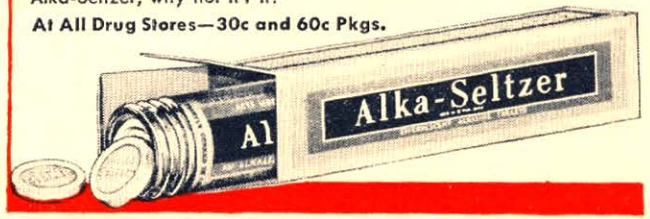

ALKA-SELTZER RELIEVES PAIN PROMPTLY BECAUSE—

1—It is fully dissolved before taken into the system.
2—Alka-Seltzer is alkalizing in action and being in solution, is more readily absorbed into the system, thereby giving relief more quickly.

If you are a user of Alka-Seltzer, check your supply and see that you have some on hand for an emergency. If you do not use Alka-Seltzer, why not try it?

8 FLYING TRAPEZE

CHORUS

She floats through the air with the greatest of ease,
You'd think her a man on the flying trapeze.
She does all the work, while he takes his ease;
And that's what's become of my love!

One night, I, as usual, went to her dear home,
I found there her father and mother alone,
I asked for my love, and soon they made known,
To my horror, that she'd run away!
She'd pack'd up her box, and eloped in the night
With him with the greatest of ease;
From two stories high, he had lowered her down
To the ground, on his flying trapeze! CHORUS

Some months after this, I went to a hall,
Was greatly surprised to see on the wall
A bill in red letters, which did my heart gall,
That she was appearing with him!
He taught her gymnastics, and dressed her in tights
To help him to live at his ease,
And made her assume a masculine name!
And now she goes on the trapeze! CHORUS

9 Jingle Bells

Dashing thro' the snow
In a one horse open sleigh,
O'er the fields we go,
Laughing all the way;
Bells on bobtail ring,
Making spirits bright,
What fun it is to ride and sing
A sleighing song tonight!

CHORUS

Jingle, bells! Jingle, bells!
Jingle all the way!
Oh, what fun it is to ride
In a one-horse open sleigh!
In a one-horse open sleigh!

10 Oh My Darling Clementine

In a cavern, in a canon,
Excavating for a mine,
Dwelt a miner, forty-niner,
And his daughter, Clementine.

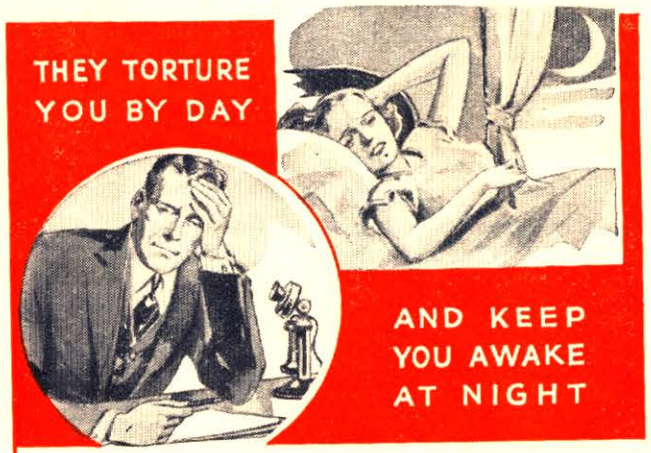

Oh my darling, oh my darling,
Oh my darling Clementine,
You are lost and gone forever,
Dreffful sorry, Clementine.

Light she was, and like a fairy,
And her shoes were number nine,
Herring boxes, without topses,
Sandels were for Clementine.

11 Believe Me If All Those Endearing Young Charms

Believe me if all those endearing
young charms,
Which I gaze on so fondly today
Were to change by tomorrow, and
fleet in my arms,
Like fairy gift fading away.
Thou wouldst still be ador'd as this
moment thou art,
Let thy love likeness fade as it will;
And around the dear ruin, each wish
of my heart,
Would entwine itself verdantly still

TENSE NERVES

TENSE NERVES make you and everyone with whom you come in contact miserable.

TENSE NERVES torture us by day and keep us awake at night; make us restless, put lines of worry and care into our faces, give us Nervous Headache, Nervous Indigestion.

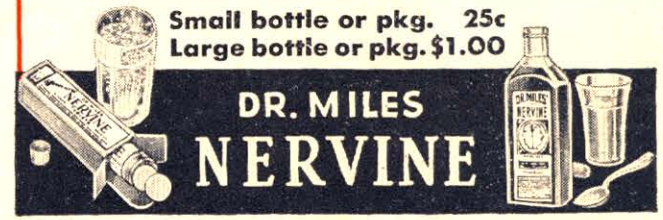

TENSE NERVES are often responsible for the hasty word, the unkindly act, that drive away our friends and estrange our families.

Dr. Miles NERVINE

Dr. Miles Nervine was originated by Dr. Franklin Miles nearly sixty years ago. Even then, when there was much less need for a nerve sedative, Nervine found many enthusiastic users.

Today, you will find Nervine in any Drug Store in the United States. In countless homes, Nervine is considered as much a necessity in the medicine cabinet as sugar in the pantry. For nearly sixty years it has been "soothing the nerves of the nation." Dr.Miles Nervine is available in both liquid and effervescent tablet form.

12 "Give Me A Toot On The Tooter Tommy"

All you city slickers gather round
And listen to the voice of the old home town
After supper just push back your chair
Cause Uncle Ezra's on the air.
He's got a feller there named Tommy, who
Toots the hottest fan-fare that you ever knew
Folks listen in both far and near
And this is what they hear—

CHORUS

Gimmie a little toot on the tooter Tommy . . . (horn)
Another little toot on the tooter Tommy . . . (horn)
The reason we all feel so swell sir—
We Al-ka-lize with Al-ka-seltzer—
Gimmie a little toot on the tooter Tommy
Station E.Z.R.A.

Ashes to dust and dust to ashes,
I'm all broke out with hot news flashes.

If you want the news from the old home town
Just tune me in for the real "low-down!"

I'm the guy, *that*, in a pinch'll
Send hot news flashes to Walter Winchell.

I'll be back in a flash, I'm a hot news seeker
And I aint no transom or key hole peeker . . .

With oceans of love n'sentiment
I'm, *your home town*, correspondent . . .

There aint much to see in a little town
But Gosh, how the news do travels round . . .

14 "Uncle Ezra Please Slow Down"

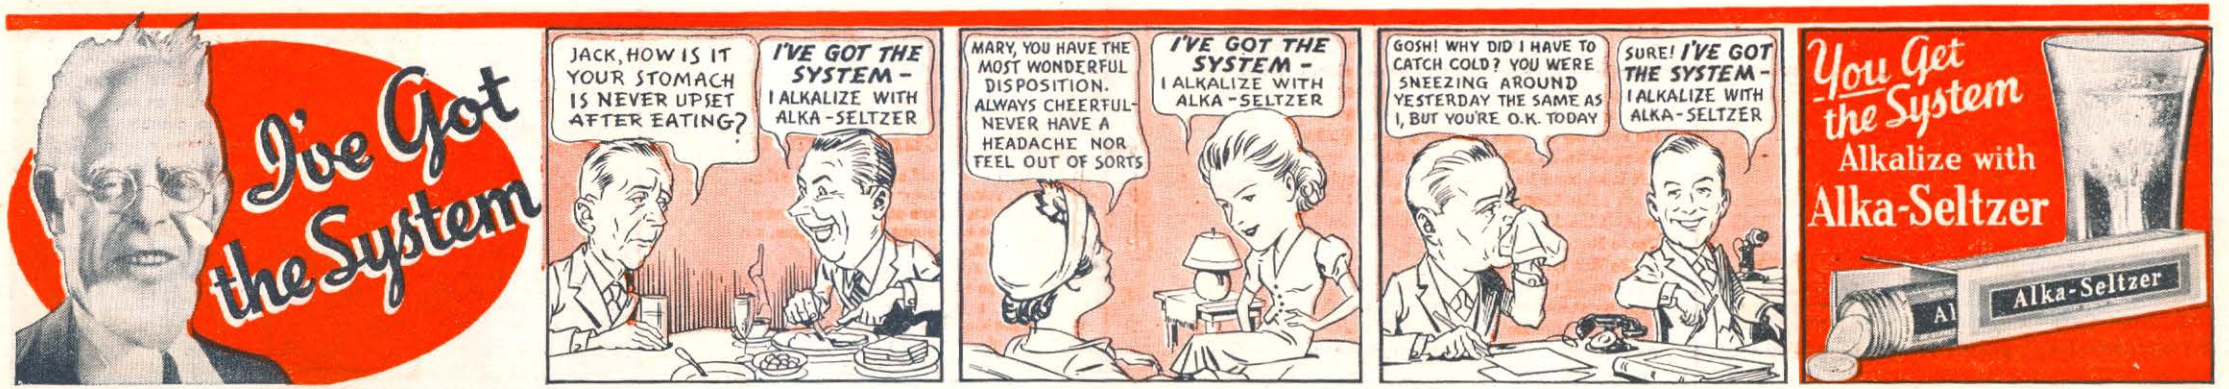

I'M a Batchelor hale and hearty,
Just as happy as a bird in a tree,
Dancing is my big weakness,
Girls come dance with me.
I may look old and feeble,
But when the music starts to play,
I'm a regular old St. Vitas,
I aint bragging when I say,—

CHORUS

Let me tell you, t'aint no bluff,
I can still step out and do my stuff.
CHO.—Hey, Hey, Hey. Uncle Ezra please slow down.
You may think I'm old, that I'm through,
But you ought to see me, pooh, poo pa doo.
CHO.—Hey, Hey, Hey. Uncle Ezra please slow down.
I'm just what wimmen wish they got,
It's no wonder that I'm fathered;
I'm not too young to get red hot,
Or too old to be bothered.
You may see my wrinkles, stand in doubt,
But I've got a few wrinkles, you don't know about,
CHO.—Hey, Hey, Hey. Uncle Ezra please slow down.

2nd CHORUS

The girls all call me sweet Grandpap,
One once held me on her lap.
CHO.—Hey, Hey, Hey. Uncle Ezra please slow down.
Old maids love me, think my dancing's grand.
I've got 'em all in the palm of my hand.
CHO.—Hey, Hey, Hey. Uncle Ezra please slow down.
I danced with a charming widow,
And the moment that I hadder,
She shouted Oh you kiddo,
Called out the hook and ladder;
I jump right up and click my heels,
A man's no older than he feels.
CHO.—Hey, Hey, Hey. Uncle Ezra please slow down

17 Froggie Went A'Courtin'

Froggie went a-courting and he did ride, Uh huh.
Froggie went a-courting and he did ride,
A sword and pistol by his side, Uh huh.
He rode up to Miss Mousie's door, Uh huh.
He rode up to Miss Mousie's door,
Hit it so hard he made it roar, Uh huh.
Took Miss Mousie on his knee, Uh huh.
Said "Miss Mouse, will you marry me?"
Uncle Rat gave his consent,
Uncle Rat gave his consent,

And he was swallowed by a black snake.

18 America

My country, 'tis of thee,
Sweet land of liberty,
Of thee I sing.
Land where my fathers died!
Land of the Pilgrim's pride!
From ev'ry mountain side,
Let freedom ring!

Our fathers' God, to Thee,
Author of liberty,
To Thee we sing.
Long may our land be bright
With freedom's holy light;
Protect us by Thy might,
Great God, our King!

19 The Star Spangled Banner

Oh, say, can you see by the dawn's
early light,
What so proudly we hail'd at the twilight's
last gleaming,
Whose broad stripes and bright stars,
thro' the perilous fight,
O'er the ramparts we watch'd, were so
gallantly streaming?
And the rockets' red glare, the bombs
bursting in air,
Gave proof thro' the night that our flag
was still there.

CHORUS

Oh, say does that star spangled banner
yet wave,
O'er the land of the free,
and the home of the brave?
Oh, thus be it ever when free man
shall stand
Between their loved home and wild war's
desolation;
Blest with vict'ry and peace,
may the heav'n-rescued land,
Praise the Pow'r that hath made and
preserv'd us a nation!
Then conquer we must,
when our cause it is just,
And this be our motto:
"In God is our trust!"

NERVINE

Are You Nervous?

Is anything more annoying than "NERVES"—overwrought, tense, jumpy Nerves—that keep you "on edge" and won't let you sit still, sleep, work, or enjoy yourself? "NERVES" make you irritable and blue, make you dislike yourself, drive away your friends, interfere with your business.

When you are Wakeful, Restless, Irritable, Keyed Up—when you have Nervous Indigestion or Nervous Headache, when little things "get on your nerves" try Dr. Miles Nervine.

Dr. Miles Nervine is made from the formula of Dr. Franklin Miles, a pioneer nerve specialist, in a well equipped laboratory, under the supervision of competent chemists.

DR. MILES LIQUID NERVINE

The original formula of Dr. Franklin Miles, with a record of more than fifty-five years of successful use.

25 Meet Me By the Ice House Lizzie

Meet me by the ice house Lizzie,
When the moon peeps o'er the hill;
Just across the cow pond Lizzie
From the old saw mill:
I'll be waiting for you Lizzie,
Where the pretty pole cats play,
Strumming on my little ukulele,
Singing oolee oolee oolee oolee-a.

Meet me by the ice house Lizzie,
When you put the pigs to bed;
Down beside the ice house Lizzie,
When the mules are fed,
I'll be waiting for you Lizzie,
Sitting on a cake of ice,
Strumming on my little ukulele,
Now I ask you pretty Lizzie, Ain't that nice!

Meet me by the ice house Lizzie.
Don't forget your flannelettes,
Down around the ice house Lizzie,
The hornet gets
Buzzing 'round forbidden places,
Places where the hornets shouldn't be:
Strumming on my little ukulele,
He can pick a bone with you and lay off me.

Meet me by the ice house Lizzie.
Bring along a custard pie;
We'll be making whoopee Lizzie,
While the clouds roll by:
I'll be waiting for you Lizzie,
You're my pretty movie type,
Strumming on my little ukulele,
While you're puffing on my daddy's corn cob pipe.

26 Seeing Nellie Home

In the sky the bright stars glittered,
On the grass the moonlight fell,
Hushed the sound of daylight bustle,
Closed the Pinkeyed Pimpernell;
As a down the moss grown wood path,
Where the cattle love to roam,
From aunt Dinah's quilting party,
I was seeing Nelly home.

In the sky the bright stars glittered,
On the grass the moonlight shone;
From aunt Dinah's quilting party,
I was seeing Nelly home.

27 Juanita

Soft o'er the fountain,
Ling'ring falls the Southern moon
Far o'er the mountain,
Breaks the day too soon!
In thy dark eyes' splendor
Where the warm light loves to dwell,
Weary looks yet tender
Speak their fond farewell!

Nita! Juanita!
Ask thy soul if we should part?
Nita! Juanita!
Lean thou on my heart.
